DAY 1: WELCOME TO CAMP WYUNA

Travel from Melbourne via Geelong to the beautiful Bellarine Peninsular. Queenscliff is a historic town which has been a holiday destination for Victorians for over 150 years. After exploring our holiday environment we will have a choice of relaxing or activity pursuits, including a walk on the adjacent beach, craft activities or just relaxing and meeting new friends. This evening we will have a disco – playing lots of our favourite dance music.

DAY 2: HARLEY RIDES & MARINE DISCOVERY CENTRE

For the active holiday makers a morning walk on the beach can be an invigorating start to the day. A ride on a Harley motorcycle (trike) along the coast is an adventure you might want to try. The afternoon activities include a visit to the Marine Discovery Centre where you can view the aquariums and learn about the marine life in the area. Evening activities will include a Karaoke sing-a-long or board games.

DAY 3: FISHING & SHOPPING

Today is the opportunity to catch yourself a fish. Queenscliff is a great fishing spot. The pier onto Swan Bay is a great place to start and you may hook a whiting or two. If fishing is not your thing, there is an opportunity to go shopping and pick up some souvenirs or have a cappuccino in one of the fine Queenscliff cafes.

DAY 4: STEAM TRAIN RIDE & CAMP ACTIVITIES

The Bellarine Railway in Queenscliff is the only true Australian National Narrow Gauge (3'6") Collection. See Heritage Steam & Diesel Trains from every state. Ride either the steam train or the diesel train along the Bellarine Peninsular. This evening it is another dance party, with music from the 70's and 80's.

DAY 5: FAREWELL TO QUEENSCLIFF

A tour of the peninsular, including a visit to the Point Lonsdale light house, and the local shops and cafes will be a feature of the morning. After lunch it will be time to pack and get ready for our final activities before departing Queenscliff for our homeward journey.
